NOTE FROM MR. MITCHELL:

Thank You for attending the 2015 Northwest Middle School Fall Band Concert. This program will feature our sixth and seventh grade bands. Usually, we feature all of our ensembles on our seasonal concerts, but our eighth grade band is currently preparing music for their Veterans' Day performance. You may hear them at 9 A.M. on Wednesday, November 11th at Northwest.

After only the first nine weeks, your young musicians have grown tremendously! I am very pleased with the progress our students are making, and I know it will be enjoyable to hear them this evening and then again in December after more preparation and practice. Please stay for the entire program. Our students have worked very hard and deserve a large audience.

To those of you who contributed to our "Paws for a Cause" food drive this evening, thank you very much! If you forgot to do this, please send your child to school tomorrow with one non-perishable food item. We will gladly accept it! What a fantastic initiative for our students to be involved in. There is nothing better than helping someone else, especially someone in need.

We hope you enjoy our Fall program! Thank You for attending and have a wonderful evening.

Sincerely,

Jake Mitchell
